

Dear Fellowship Members and Friends,

For many years the Fellowship has attempted to keep what has been called a "life crisis file" on each UUFCC member that would be useful at the time of serious illness or death. Because it's a long form, and somewhat forbidding, not many members have filled it out or expressed interest in doing so.

The Caring Committee feels that having some information about members at the time of crisis would be very helpful to those of us helping and to the family. So, we have re-written the form, making it more user-friendly and less intimidating, in the hope that everyone will fill it out. A copy of the form is attached to this newsletter and may be filled out and dropped off at the Fellowship office. It will also be available on the UUFCC web site and emailed to everyone on the list serve so that it can be filled out on-line and emailed to the office. Please feel free to fill out all or part of the form, it is not required that you do the whole form.

These forms will be kept in a locked file in the minister's office, and accessed only by the minister when needed. Please take advantage of this opportunity to do some advanced planning that will be much appreciated by those who love you. Thank you.
The Caring Committee
